From April - November,
there are several days when we have the opportunity to land on Blakeney Point and visit the Old Lifeboat Station (National Trust Visitor Centre)

For more information see:
www.blakeneypointsealtrips.co.uk

Blakeney Point Seal Trips operate in Blakeney Harbour, a beautiful historic seaport on the picturesque North Norfolk Coast. Our traditional clinker built ferry boat "Ptarmigan" will take you on a fascinating trip through Blakeney harbour to the seal colony, where both Common and Grey Seals live. For the keen birdwatchers there are many different species to be spotted!

During the trip, which normally lasts about an hour, we will share the history and sights of this beautiful area, along with all the facts about the seals, birds and other wildlife that you will see.

Trips do vary according to tides and booking is always advisable, particularly during holiday periods. To book call us between 8 am and 7 pm, Monday to Sunday. Tickets are purchased on Blakeney Quay in advance of sailing times, an departure is then from Morston Quay.

Our fully qualified skipper and crew pride themselves on keeping safety a priority and the boat is fully equipped. For your own comfort, please prepare for wind, sun and water!

We also like catering for private parties, schools and other charters. Please give us a ring to discuss.
